2) The content of the Fitment Profile has expired. If the creation time so long or the copied Fitment Profile is old, it will be affected;

3) This category does not support Fitment Profile, so it cannot be applied.

2. Solution

1) If the site classification is inconsistent, you can re-select the Fitment Profile of the same site and classification;

2) If the Fitment Profile has expired, you can go to "Channels > Channel Setting-eBay > Fitment Profile" to recreate or copy an Fitment Profile. For detailed operations,
