Soldeazy New User Guide

— New users could follow the steps to list items to eBay from SoldEazy

Register a SoldEazy account

- **After verifying your email, you can immediately operate your SoldEazy account**
- Please refer to the tutorial [<Soldeazy Manual_Plan & Payment>](#) and [<Soldeazy Manual_Open Account & Link up eBay>](#)

Link up eBay account

- **Link up eBay accounts and manage all your listings on SoldEazy**
- Please refer to the tutorial [<Soldeazy Manual_Open Account & Link up eBay>](#)

Create a listing template

- **Design a unique listing template and draw buyers' attention to your products**
- Please refer to the tutorial [<Soldeazy Manual_Template Designer>](#)

Create a datasheet

- **Fill in products information and list to eBay or other marketplaces**
- Please refer to the tutorial [<Soldeazy Manual_Datasheet>](#)

List to eBay or other marketplaces

- **List the datasheets to different eBay accounts and sites**
- Please refer to the tutorial [<Soldeazy Manual_Datasheet>](#) and [<Soldeazy Manual_Listing>](#)

Manage Listings

- **Learn to manage your listings with different means, such as Out-of-Stock Control**
- Please refer to the tutorial [<Soldeazy Manual_Automation>](#)
