Please use that user name to connect Shipping Channel account. You will receive a verification email from EC-Ship to your registered email address, **please click the verification link in the email to confirm this binding**, otherwise, this account connection will be fail.

As one account can only connect once, **please do not delete the EC-Ship account in the Shipping Channel**, otherwise, this account will be invalid. You can only go to Hongkong Post website again and register a new EC-Ship account to connect SoldEazy.

2. Set package profile

Go to **ShipEazy > Package Profile**.

Click <Click Package Profile>.

Fill in the package profile name and choose the shipping carrier as <EC-Ship(Hong Kong Post)>, and then select the shipping method.

* If you have multiple shipping methods, you can create multiple package profiles.
