How to update VAT Rate in Listings

- 1. Update listing individually
- 2. Bulk Update via BULK-EDIT function
- 3. Bulk Update via Export and Import Excel/ CSV file

* Datasheet price is the after-tax price, adding VAT does not affect the listing price. You can revise datasheet price and sync up if you want to keep your profit margin

b) In "VAT Rate" field under "Item and Price" section, enter the VAT rate.
